Рисунок 4 - Registration form

The image shows a screenshot of a Mozilla Firefox browser window. The address bar displays the URL <http://rentercars.com>. The main content area features a registration form with a light blue header bar containing the word "Regestration". Below the header, there is a table with six rows, each representing a form field. The fields are labeled "Email Address", "Password", "User name", "Name", "Surname", and "Debit card". Each label is in a light blue box, and the corresponding input field is an empty white box. At the bottom of the form, there is a "Submit" button.
